Rent a Christmas Tree

Welcome to the best source for a custom decorated Christmas tree.

Your office or workplace will be transformed by a stunning fully decorated life-like Christmas tree, taking all the inconvenience out of your Christmas display. All of our rental trees are available by reservation and include delivery, installation and collection.

Our customized Rent A Christmas Tree is available in a 10ft Walton Fir, that offers minimum wall and floor space and is pre lit with Sta-Lit-Clear lights. One of the unique benefits of Sta-Lit-Clear lights is if one bulb burns out the rest of the lights remain lit. Standard features include: all metal dura-hinge, heavy gauge branches and a heavy-duty metal stand.

Designer color schemes include:

Red / Burgundy / Black Cherry / Chocolate / Teal / Lime Green / Silver / Gold

The Price of a Rent A Tree is \$599.00 with a \$300.00 deposit to reserve your tree and set up date. We are taking reservations and deposits now through November 6th. Due to a large response of our Rent A Christmas Tree program we ask that you call early.
